## **List of Entities Considered Suitable to Hold LBMA Gold and Silver Delivery Bars**

Attached is a list of entities considered suitable to hold London Bullion Market Association (LBMA) gold and silver delivery bars for the purposes of the definition of acceptable securities locations in the General Notes and Definitions to Form 1. This list has been updated by adding UBS AG. This list allows both a Dealer Member's inventory and client positions in gold and silver bullion to be held at an entity without capital penalty to the Dealer Member provided that other related Dealer Member Rules (such as written custodial agreement and segregation) are met.

The list replaces the previous list, which was issued as part of IIROC Notice 10-0204, and is effective February 7, 2011.
