## **New Webcast: Overview of the Canadian Investor Protection Fund**

A new training seminar ‘Overview of the Canadian Investor Protection Fund’ has been developed by the Canadian Investor Protection Fund (CIPF) to help individuals employed by IIROC member firms learn about CIPF and meet their IIROC Compliance CE requirements.

In this seminar, CIPF staff review the nature of the protection that CIPF provides to clients of IIROC member firms. Participants are also provided with practical examples.

Our presenter is Ilana Singer, Vice-President & Corporate Secretary, CIPF.

Your completion of this webcast will earn you **.75 hours of IIROC Continuing Education Compliance Credits.**

This webcast will be available for viewing in English on December 5 at 7:00 am Eastern time and on a 24/7 basis after that date.

Please note that there is a voluntary quiz accompanying this webcast. Upon completion of the webcast, participants will be issued an electronic and personalized Continuing Education credit (.75 CE credit) certificate which can be applied to their **Compliance Requirements**.
