IIROC nomination to the board of directors of OBSI

Summary

The Investment Industry Regulatory Organization of Canada (“IIROC”) is entitled to nominate one individual for election to the Board of Directors of the Ombudsman for Banking Services and Investments (“OBSI”).

The purpose of this Notice is to solicit expressions of interest from individuals at IIROC Dealer Members that wish to be considered for nomination by IIROC to serve on the OBSI Board. The Notice also outlines the selection process and the skills and experience that we seek from prospective candidates.

OBSI

OBSI resolves disputes between participating banking services and investment firms and their customers. OBSI’s mandate and membership includes all registered dealers and advisors outside of Québec that have retail investor clients. OBSI is independent of the parties involved and its services are free to consumers.

More information on OBSI and its Board structure is available at [OBSI - Home](#).

Candidate Selection

IIROC uses an open selection process to identify and propose nominees from the industry to serve on the OBSI Board. Under our process, we solicit interest from the industry by public notice from time to time, prior to vacancies becoming available.

OBSI has requested that we provide a short list of candidates from which they will choose a nominee. OBSI may elect an individual as IIROC's nominee to the OBSI Board for a term of up to four years, subject to re-election, provided that the term of the appointment is, in aggregate, not to exceed eight years.

IIROC is seeking the following competencies from applicants that are interested in serving on the OBSI Board:

- the individual must be a current partner, director, officer or employee of an IIROC Dealer Member and must be actively engaged in the business of his or her firm; and
- the individual should have significant management and retail experience.

The candidates will be selected by the IIROC Board from a pool that will include applicants who respond to this Notice, as well as the incumbent nominee.

Application Process

Industry representatives interested in serving on the OBSI Board should apply in writing. Please include current biographical information and a description of your qualifications. The IIROC Board will select candidates at its meeting in November, 2017.

Applications must be submitted by **October 15, 2017** to:
