IIROC Fee Model Guidelines – Update 2018

IIROC's *Fee Model Guidelines* provide comprehensive information on all fees collected from Dealer Members and Marketplace Members in a single reference source. In this current update, we have revised the guidelines to amend the Minimum Dealer Regulation Fee Component of the Dealer Member Fee Model effective April 1, 2018 as per [Notice 18-0072](#).

This Notice replaces the *IIROC Fee Model Guidelines*, [Notice 17-0072](#) published on March 31, 2017.

IIROC collects most of its revenue under the four fee models described in this document:

- Dealer Member Fee Model
- Equity Market Regulation Fee Model
- Debt Market Regulation Fee Model
- Debt Information Processor Fee Model.

The main elements of these fee models were developed after consultation with the industry and were published for comment prior to approval by IIROC's recognizing regulators¹.

¹ For further details of recent changes, see the following IIROC Notices:

- [IIROC Notice 18-0072](#) – Amendments to the Minimum Dealer Regulation Fee Component of the Dealer Member Fee Model effective April 1, 2018 (April 5, 2018)
- [IIROC Notice 17-0071](#) – Approval of Debt Information Processor Fee Model (March 31, 2017)
- [IIROC Notice 15-0243](#) – Approval of Debt Market Regulation Fee Model (October 29, 2015)
- [IIROC Notice 12-0043](#) – Approval of Integrated Fee Model (February 3, 2012)

IIROC also collects a number of other activity-based fees that are set out in various places throughout IIROC's Rules and By-laws. Part 1 of Appendix B to this document provides a comprehensive list of these fees, along with links to the full text of the relevant provisions. Where the Rule or By-law does not provide full details of how such a fee is administered, additional details are provided in this document. Part 2 of Appendix B provides an overview of the registration-related fees that IIROC collects on behalf of Canadian securities regulatory authorities pursuant to delegation orders.

Appendix C shows the changes made to the Fee Model Guidelines published in 2017.

DEALER MEMBER FEE MODEL

Applicants to become a member of IIROC are required to pay an Entrance Fee as part of the application process. On becoming Dealer Members, applicants pay Annual Fees for each Fiscal Year. This Dealer Member Fee Model sets out certain details of IIROC's administration of fees payable where such details are not provided with the By-laws, Rules or elsewhere (including the provisions identified in Appendix B).

Entrance Fee

1. The Entrance Fee charged to each new Dealer Member shall be \$25,000, payable as follows:
 - (a) a non-refundable amount of \$10,000 payable on acceptance of an application for membership as a Dealer Member for review by IIROC; and
 - (b) \$15,000 payable on approval of the application for membership as a Dealer Member by the Board.

In accordance with section 3.5(3) of the By-laws, if the application for membership as a Dealer Member is not approved by the Board within six months from the date the application was accepted for review by IIROC for any reason that cannot reasonably be attributed to IIROC or its staff, the amount paid under Subsection 1(a) above is forfeited to IIROC.

2. Each application for membership as a Dealer Member that is approved by the Board shall be accompanied by a payment to the Restricted Fund equal to 0.5% of the applicant's expected initial capital calculated according to IIROC Form 1, payable together with the payment in Subsection 1(b).

Annual Fee

When establishing the Annual Fees payable by Dealer Members for a particular year, IIROC determines what its net annual costs attributable to Dealer Member regulation are expected to be for that year. Such net annual costs are equal to IIROC's budgeted costs for that year less projected underwriting levies, proceeds from registration fee sharing arrangements with various securities regulatory authorities, interest and other income. The Annual Fee payable by a Dealer Member will be based on its pro-rata share of such costs as determined in accordance with the provisions set out below.

3. The Annual Fee for each Dealer Member shall be determined with reference to the following components:

- (a) Revenue Component;
- (b) Approved Person Fees Component;
- (c) Minimum Dealer Regulation Fee Component; and
- (d) Risk Component.

The Annual Fee shall be the sum of the Revenue Component calculated in accordance with Section 4 and the Approved Person Fees Component calculated in accordance with Section 5, unless such sum is less than the applicable Minimum Dealer Regulation Fee Component set out in Section 6, in which case the Annual Fee shall be the applicable Minimum Dealer Regulation Fee. The Annual Fee of each Dealer Member is adjusted by the Risk Component prescribed in accordance with Section 7.

The amount of the Annual Fee calculated in accordance with the foregoing paragraph shall be reduced pursuant to Section 8 if the applicant is approved for membership by the Board at any time after April 1 in any Fiscal Year.

4. **Revenue Component.** The Revenue Component of the Annual Fee shall be an amount equal to the product of the Total Revenue of the Dealer Member for the previous calendar year as reported to IIROC and the Revenue Rate prescribed by the Board in its discretion for the applicable Revenue Component Tier set out in Appendix A. Revenue Rates will be reviewed and adjusted annually by the Board in its discretion.
5. **Approved Person Fees Component.** The Approved Person Fees Component of the Annual Fee shall be an amount equal to the product of the number of Approved Persons of the Dealer Member as at the last day of the previous Fiscal Year and \$250.
6. **Minimum Dealer Regulation Fee Component.** If the sum of the Revenue Component and the Approved Person Fees Component of a Dealer Member is less than \$22,500, the Minimum Dealer Regulation Fee payable by that Dealer Member is \$22,500.
7. **Risk Component.** A Dealer Member is assessed annually to determine its risk profile by each of FINOPS and BCC.
 - (a) If a Dealer Member is assigned a “high risk” profile by one or both of FINOPS and BCC, the Dealer Member is required to pay the applicable risk premium prescribed by each department that assigned the Dealer Member a “high risk” profile.
 - (b) A credit equal to the risk premiums paid will be applied towards the Annual Fee payable by those Dealer Members that are not required to pay a risk premium.

- (c) For greater certainty, in no event shall the credit in Subsection 7(b) above reduce the fees payable by a Dealer Member to less than the applicable Minimum Dealer Regulation Fee.
8. **Annual Fee for New Members.** If an applicant for membership is approved by the Board at any time:
- (a) between April 1 and September 29, both inclusive, the Annual Fee for the balance of the Fiscal Year shall be \$15,000;
 - (b) between September 30 and December 31, both inclusive, the Annual Fee for the balance of the Fiscal Year shall be \$7,500; or
 - (c) between January 1 and March 31, both inclusive, the Annual Fee for the balance of the Fiscal Year shall be \$3,750.

Payment of Annual Fee

9. **Quarterly Payments.** The Annual Fee shall be payable in quarterly instalments by the Dealer Member in each year. Notice of the amount of the first and second quarterly payments shall be mailed to each Dealer Member on or about the first business day of July. The first quarterly payment shall be made by each Dealer Member immediately upon receipt and the second quarterly payment shall be paid by each Dealer Member not later than the first business day of August. Notice of the amount of the third and fourth quarterly payments shall be mailed to each Dealer Member on or about the first business day of September and December, respectively. The third quarterly payment shall be paid in advance by each Dealer Member not later than the first business day of October and the final quarterly payment shall be paid in advance by each Dealer Member not later than the first business day of January.
10. **Payment of Annual Fee on Acquisition of Dealer Member.** Notwithstanding the foregoing, in the event that:
- (a) an applicant for membership has acquired the whole or a substantial part of the business and assets of a Dealer Member or Members in good standing whose Annual Fee for the then current Fiscal Year has been paid in full and who is or are resigning from membership concurrently with the admission of the applicant to membership; and
 - (b) at least a majority in number of the partners of the applicant, in the case of a partnership, or at least a majority in number of the directors and at least a majority in number of the officers of the applicant, in the case of a corporation,

are partners, or directors and officers, as the case may be, of the resigning Dealer Member or Members;

then the applicant, if the applicable District Council so approves, shall be exempted from payment of the Entrance Fee and from payment of the Annual Fee for the then current Fiscal Year. In no event including the foregoing circumstances shall there be a credit or refund of Annual Fees paid to date where one Dealer Member acquires all or any part of the shares, business or assets of another Dealer Member.

provided that the amount of the levy payable by a Dealer Member for a Distribution shall not exceed an amount equal to the Levy Cap for that Dealer Member for that Distribution.

Each levy shall be calculated in Canadian dollars or in the Canadian dollar equivalent of the currency of the Distribution as of the date on which the first closing of the transaction occurs. If the levy for an offering may be calculated according to more than one of paragraphs (a) to (f) above, the levy shall be calculated according to the paragraph which provides the highest levy.

All Distributions are deemed to take place entirely in Canada unless the Dealer Member provides evidence, acceptable to IIROC in its sole discretion, of the number of securities offered outside Canada, in which case the levy will be calculated on the securities distributed in Canada.

13. **Responsible Dealers.** Each Dealer Member or, if there is a Responsible Dealer in respect of a Distribution involving more than one Dealer Member, the Responsible Dealer shall:
- (a) Complete a new levy form for submission with payment;

If there is no Responsible Dealer in respect of a Distribution, or if the Responsible Dealer is not a Dealer Member, each Dealer Member shall complete a new levy form and remit its proportion of the levy.

14. **Discretion of the Board.** The Board may in its discretion impose the levy on an amount which is less than, in the case of debt securities, the aggregate principal amount of the offering and, in any other case, the maximum aggregate price at which the securities are offered and make any other variations in connection with the imposition of the levy as it deems necessary or desirable.

General

15. **Assessment.** Notwithstanding Sections 3 to 7, inclusive, the Board shall have power to make an assessment in any Fiscal Year upon each Dealer Member not to exceed 50% of the Annual Fee payable in such year by such Dealer Member. Each Dealer Member shall pay the amount so assessed upon it within thirty (30) days after receiving written notification thereof from the Secretary.

16. **Late Payment of Annual Fees.**

- (a) If the Annual Fee payable by a Dealer Member has not been paid:
- (i) in the case of the first quarterly payment, by the tenth business day of July;
 - (ii) in the case of the second quarterly payment, by the first business day of September;
 - (iii) in the case of the third quarterly payment, by the first business day of November; or
 - (iv) in the case of the fourth quarterly payment, by the first business day of February in any year, or
- (b) if the amount assessed upon any Dealer Member pursuant to Section 15 or Section 17 has not been paid within thirty (30) days after the Dealer Member has received written notification thereof from the Secretary,

the Secretary shall, by registered mail, request the Dealer Member to pay the same and draw the Dealer Member's attention to the provisions of this Section 16. If the entire amount owing by the Dealer Member has not been paid within thirty (30) days from the date the Secretary has mailed the request, the Secretary shall notify the Board to this effect and the Board may, in its discretion, terminate the membership of the Dealer Member in default. If the Board decides to terminate the membership of a Dealer Member pursuant to the provisions of this Section 16, the Secretary will be requested to notify the Dealer Member, by registered mail, of the decision of the Board. A former Dealer Member whose membership has been terminated pursuant to the provisions of

this Section 16 shall cease to be entitled to exercise any of the rights and privileges of membership but shall remain liable to IIROC for all amounts due to IIROC from the former Dealer Member.

17. ***Extraordinary Costs and Expenses.*** The extraordinary costs and expenses of IIROC incurred in connection with, but not limited to, items such as (i) the review and/or approval of a novel or unusual application for membership as a Dealer Member, (ii) the review and/or approval of any reorganization, take over or other substantial change in the business, structure or affairs of a Dealer Member, (iii) travel and accommodation outside Canada for staff to conduct compliance exams for a Dealer Member, or (iv) costs associated with compliance site visits conducted by staff for applicants as Dealer Members, may be assessed to the Dealer Member at the discretion of the Board.
18. ***Additional Fees Payable by Dealer Members.*** The foregoing Dealer Member Fee Model is not an exhaustive list of the fees payable by Dealer Members. Additional fees that are payable by Dealer Members in certain circumstances are contained in the Dealer Member Rules and in the By-laws. Appendix B contains a summary of where these additional fees may be found and the nature of such fees. The summary is intended to be a guide only and is not a full reproduction of the applicable Dealer Member Rules and/or By-laws. Reference should be made to the full text of the Dealer Member Rules and the By-laws.

EQUITY MARKET REGULATION FEE MODEL

The Equity Market Regulation Fee Model is applicable to Marketplaces that trade equity securities. Applicants for acceptance as Marketplace Members that are alternative trading systems are required to pay Entrance Fees for their Dealer Member application in addition to the Regulation Services Agreement Fee and an Information Technology Fee, which must be paid by all applicants for acceptance as Marketplace Members. On becoming Marketplace Members, Marketplace-Specific Costs may be payable in certain circumstances. Monthly Equity Market Regulation Fees consisting of Message Processing Fees and Trade Fees (subject to a Minimum Market Regulation Fee) are allocated to Marketplaces and are payable by Dealer Members participating in those Marketplaces. Administration Fees are allocated to Marketplace Members and Dealer Members.

Entrance and Set-Up Fees

19. ***Dealer Member Application Fees.*** For alternative trading systems, the process for acceptance as a Marketplace Member is concurrent with that to become a Dealer Member. The Entrance Fee described in Section 1 is payable by such applicants at the time an application is made.

20. **Regulation Services Agreement Fee.**

- (a) The minimum fee for the drafting and negotiation of a Regulation Services Agreement between IIROC and an applicant as a Marketplace Member is \$25,000 and is payable at the time of application.
- (b) If time cost spent by IIROC staff on the drafting and negotiation of the Regulation Services Agreement is greater than \$25,000, the difference will be invoiced by IIROC and is payable by the Marketplace Member prior to the Marketplace commencing operations as a Marketplace Member.
- (c) IIROC may, in its discretion, charge the fees indicated in paragraphs (a) and (b) above in connection with the drafting and negotiation of a revised or amended Regulation Services Agreement in circumstances where there has been a material change in the activities of a Marketplace Member.

21. **Information Technology Fee.** The Information Technology Fee charged to each applicant as a Marketplace Member is \$66,500 payable as follows:

- (a) a non-refundable deposit of \$10,000 payable at the time of application for membership as a Marketplace Member; and
- (b) the balance of \$56,500 payable when the applicant is authorized to proceed with the testing and development of Surveillance Technology Enhancement Platform (STEP) functionality for the marketplace.

If time cost spent by IIROC staff on the connectivity and testing process for the marketplace is greater than \$66,500, the difference will be invoiced by IIROC and is payable by the Marketplace Member upon launch of the marketplace.

All costs of information technology development, including any third party costs, for a new marketplace are borne by the Marketplace Member.

22. **Marketplace-Specific Costs.** Each Marketplace Member will pay to IIROC (i) incremental costs incurred by IIROC to perform additional work to monitor a Marketplace as a result of unique marketplace features, and (ii) incremental costs incurred by IIROC as a result of a Marketplace's failure to meet an IIROC regulatory feed standard, testing window or project deadline, including, without limitation, modifications to IIROC's systems, additional staffing or remedial work. Marketplace-Specific Costs will be determined with respect to each Marketplace Member on a monthly basis and shall be invoiced in accordance with Subsection 27(b).

Monthly Equity Market Regulation Fees

When determining the Monthly Equity Market Regulation Fees allocated to a Marketplace Member for a particular month, IROC first determines its total market regulation costs and then deducts the timely disclosure fees, interest and other income received by IROC. The net costs are then allocated to each Marketplace Member on a pro-rata basis and are paid by that Marketplace's participating organizations, members or subscribers, as the case may be, that are Dealer Members as identified by the Marketplace. The allocation is based on the number of messages sent and trades executed by each Dealer Member on each Marketplace, all in accordance with the provisions set out below.

23. *Message Processing Fee.*

- (a) Each Marketplace shall be allocated a fee based on the Marketplace's share of the total number of messages processed by IROC's surveillance system during a particular month. The Message Processing Fee is determined with reference to the total information technology costs of the surveillance system.
- (b) The Message Processing Fee shall be paid by Dealer Members based on each Dealer Member's pro-rata share of the messages sent through each Marketplace. The total Message Processing Fee and the applicable unit cost per message shall be disclosed in the monthly invoice delivered to Dealer Members in accordance with Subsection 27(a).

24. *Trade Fee.*

- (a) Each Marketplace shall be allocated a fee based on a particular Marketplace's share of the total number of trades completed during a particular month. The Trade Fee is determined with reference to the net market regulation costs after deduction of the information technology costs of the surveillance system.
- (b) The Trade Fee shall be paid by Dealer Members based on each Dealer Member's pro-rata share of the trades made through each Marketplace. The total Trade Fee shall be specified in the monthly invoice delivered to Dealer Members in accordance with Subsection 27(a).
- (c) The number of trades executed by a Qualified Market Maker acting in furtherance of its marketplace trading obligations on the listing exchange shall be discounted by 70% for the purposes of calculating the Trade Fee for such Marketplace. The number of trades on the other side of any trade involving a market maker in its stock of responsibility will be included in the calculation of the overall total number of trades. For clarity, the discount will not be applied to

trades for securities that are not listed on the listing exchange that has entered into the trading obligations agreement with the Qualified Market Maker.

25. ***Minimum Equity Market Regulation Fee.***

- (a) If the aggregate of the Message Processing Fee and the Trade Fee allocated to a Marketplace Member is less than \$4,800 in a particular month, such Marketplace Member shall be allocated the Minimum Equity Market Regulation Fee of \$4,800, consisting of \$1,200 allocated to messages and \$3,600 allocated to trades.
- (b) If applicable, the Minimum Equity Market Regulation Fee shall be paid by Dealer Members based on each Dealer Member's pro-rata share of the messages sent and the trades made through a Marketplace subject to the Minimum Equity Market Regulation Fee. The portion of the Minimum Equity Market Regulation Fee, if any, payable by a Dealer Member shall be specified in the monthly invoice delivered to the Dealer Member in accordance with Subsection 27(a). If a Marketplace Member chooses to pay the difference between the Minimum Equity Market Regulation Fee and the aggregate of the Message Processing Fee and the Trade Fee allocated to the Marketplace Member then Dealer Members shall only be responsible for paying the latter.
- (c) If there are no messages processed or trades completed during a particular month, the Marketplace Member shall be required to pay the Minimum Equity Market Regulation Fee directly.

26. ***Administration Fee.***

- (a) A fee of \$400 shall be charged to each Dealer Member and invoiced in accordance with Subsection 27(a) each month for the provision of detailed billing information or other information related to market regulation fees requested by the Dealer Member.
- (b) An Administration Fee of \$500 shall be charged to each Marketplace Member and invoiced in accordance with Subsection 27(b) each month for the administration of the invoicing of the fees described in this Equity Market Regulation Fee Model to Dealer Members on behalf of the Marketplace Member.

Payment of Monthly Equity Market Regulation Fees

27. *Monthly Invoices.*

- (a) **Dealer Members:** Dealer Members shall be invoiced on a monthly basis in arrears within the first ten (10) days of any month for the aggregate of the Message Processing Fee and the Trade Fee, or the Minimum Equity Market Regulation Fee, as applicable, and the Administration Fee charged to Dealer Members. Such invoices are due and payable immediately upon receipt.
- (b) **Marketplace Members:** Marketplace Members shall be invoiced on a monthly basis in arrears within the first ten (10) days of any month for the aggregate of any Marketplace-Specific costs incurred during a particular month as contemplated in Section 22, the Administration Fee charged to Marketplace Members and any amount invoiced to a Marketplace Member under Subsection 25(b).
- (c) For the initial months of the fiscal year, Dealer Members will be charged based on IIROC's previous year's budget. Once the budget and fees are finalized for the year, monthly invoices will be adjusted prospectively to reflect the budget of the remaining months of the year.

DEBT MARKET REGULATION FEE MODEL

Monthly Debt Market Regulation Fees

When determining the Monthly Debt Market Regulation Fees allocated to a Dealer Member for a particular month, IIROC first determines its total debt market regulation costs. These costs are then allocated to each Dealer Member on a pro-rata basis and are paid by those Dealer Members as identified based on the number of Non-Repo Debt Transactions and Repo Debt Transactions submitted by each Dealer Member, all in accordance with the provisions set out below.

28. *Non-Repo Debt Transaction Fee.*

- (a) Each Dealer Member shall be allocated a fee, based on their pro-rata share of the total number of Non-Repo Debt Transactions received and processed by IIROC's debt surveillance system during a particular month. The total Non-Repo Debt Transaction Fee and the applicable unit cost per transaction shall be disclosed in the monthly invoice delivered to Dealer Members in accordance with Section 30.

29. ***Repo Debt Transaction Fee.***

- (a) Each Dealer Member shall be allocated a fee, based on their pro-rata share of the total number of Repo Debt Transactions received and processed by IIROC's debt surveillance system during a particular month. The total Repo Debt Transaction Fee and the applicable unit cost per transaction shall be disclosed in the monthly invoice delivered to Dealer Members in accordance with Section 30.
- (b) The Repo Debt Transaction Fee will be reduced by cost recoveries received from the Bank of Canada.

Payment of Monthly Debt Market Regulation Fees

30. ***Monthly Invoices.*** Dealer Members shall be invoiced on a monthly basis in arrears within the first ten (10) days of any month for the aggregate of the Non-Repo Debt Transaction Fee and the Repo Debt Transaction Fee, as applicable. Such invoices are due and payable immediately upon receipt.

Late Filing Fee

31. ***Late Filing Fee.*** Dealer Members may be charged a late filing fee, which will be based on the additional effort required by IIROC to input the late data, make corrections and perform appropriate surveillance.

DEBT INFORMATION PROCESSOR FEE MODEL

Monthly Debt Information Processor Fees

When determining the Monthly Debt Information Processor Fees allocated to a Dealer Member for a particular month, IIROC first determines its total debt information processor costs. These costs are then allocated to each Dealer Member on a pro-rata basis and are paid by those Dealer Members as identified based on the number of Debt Transactions submitted by each Dealer Member, all in accordance with the provisions set out below.

32. ***Debt Transaction Fee.*** Each Dealer Member shall be allocated a fee, based on their pro-rata share of the total number of Debt Transactions received and processed by IIROC's debt information processor system during a particular month. The total Debt Transaction Fee and the applicable unit cost per transaction shall be disclosed in the monthly invoice delivered to Dealer Members in accordance with Section 33.

Payment of Monthly Debt Information Processor Fees

33. **Monthly Invoices.** Dealer Members shall be invoiced on a monthly basis in arrears within the first ten (10) days of any month for the Debt Information Processor Fees. Such invoices are due and payable immediately upon receipt.

APPENDIX B – ADDITIONAL FEES PAYABLE BY DEALER MEMBERS	21

DEALER MEMBER FEE MODEL

Applicants to become a member of IIROC are required to pay an Entrance Fee as part of the application process. On becoming Dealer Members, applicants pay Annual Fees for each Fiscal Year. This Dealer Member Fee Model sets out certain details of IIROC's administration of fees payable where such details are not provided with the By-laws, Rules or elsewhere (including the provisions identified in Appendix B).

Entrance Fee

1. The Entrance Fee charged to each new Dealer Member shall be \$25,000, payable as follows:
 - (a) a non-refundable amount of \$10,000 payable on acceptance of an application for membership as a Dealer Member for review by IIROC; and
 - (b) \$15,000 payable on approval of the application for membership as a Dealer Member by the Board.

In accordance with section 3.5(3) of the By-laws, if the application for membership as a Dealer Member is not approved by the Board within six months from the date the application was accepted for review by IIROC for any reason that cannot reasonably be attributed to IIROC or its staff, the amount paid under Subsection 1(a) above is forfeited to IIROC.

2. Each application for membership as a Dealer Member that is approved by the Board shall be accompanied by a payment to the Restricted Fund equal to 0.5% of the applicant's expected initial capital calculated according to IIROC Form 1, payable together with the payment in Subsection 1(b).

Annual Fee

When establishing the Annual Fees payable by Dealer Members for a particular year, IIROC determines what its net annual costs attributable to Dealer Member regulation are expected to be for that year. Such net annual costs are equal to IIROC's budgeted costs for that year less projected underwriting levies, proceeds from registration fee sharing arrangements with various securities regulatory authorities, interest and other income. The Annual Fee payable by a Dealer Member will be based on its pro-rata share of such costs as determined in accordance with the provisions set out below.

3. The Annual Fee for each Dealer Member shall be determined with reference to the following components:
 - (a) Revenue Component;

- (b) Approved Person Fees Component;
- (c) Minimum Dealer Regulation Fee Component; and
- (d) Risk Component.

The Annual Fee shall be the sum of the Revenue Component calculated in accordance with Section 4 and the Approved Person Fees Component calculated in accordance with Section 5, unless such sum is less than the applicable Minimum Dealer Regulation Fee Component set out in Section 6, in which case the Annual Fee shall be the applicable Minimum Dealer Regulation Fee. The Annual Fee of each Dealer Member is adjusted by the Risk Component prescribed in accordance with Section 7.

The amount of the Annual Fee calculated in accordance with the foregoing paragraph shall be reduced pursuant to Section 8 if the applicant is approved for membership by the Board at any time after April 1 in any Fiscal Year.

4. **Revenue Component.** The Revenue Component of the Annual Fee shall be an amount equal to the product of the Total Revenue of the Dealer Member for the previous calendar year as reported to IIROC and the Revenue Rate prescribed by the Board in its discretion for the applicable Revenue Component Tier set out in Appendix A. Revenue Rates will be reviewed and adjusted annually by the Board in its discretion.
5. **Approved Person Fees Component.** The Approved Person Fees Component of the Annual Fee shall be an amount equal to the product of the number of Approved Persons of the Dealer Member as at the last day of the previous Fiscal Year and \$250.
6. **Minimum Dealer Regulation Fee Component.** If the sum of the Revenue Component and the Approved Person Fees Component of a Dealer Member is less than ~~\$22,500~~\$27,500, the Minimum Dealer Regulation Fee ~~is~~ payable by that Dealer Member ~~is \$22,500, as follows:~~
 - ~~(a) if the Total Allocated Costs of the Dealer Member are equal to or less than \$20,000, the Minimum Dealer Regulation Fee is \$15,000; and~~
 - ~~(b) if the Total Allocated Costs of the Dealer Member are greater than \$20,000, the Minimum Dealer Regulation Fee is \$27,500.~~
7. **Risk Component.** A Dealer Member is assessed annually to determine its risk profile by each of FINOPS and BCC.
 - (a) If a Dealer Member is assigned a “high risk” profile by one or both of FINOPS and BCC, the Dealer Member is required to pay the applicable risk premium prescribed by each department that assigned the Dealer Member a “high risk” profile.

- (b) A credit equal to the risk premiums paid will be applied towards the Annual Fee payable by those Dealer Members that are not required to pay a risk premium.
 - (c) For greater certainty, in no event shall the credit in Subsection 7(b) above reduce the fees payable by a Dealer Member to less than the applicable Minimum Dealer Regulation Fee.
8. **Annual Fee for New Members.** If an applicant for membership is approved by the Board at any time:
- (a) between April 1 and September 29, both inclusive, the Annual Fee for the balance of the Fiscal Year shall be \$15,000;
 - (b) between September 30 and December 31, both inclusive, the Annual Fee for the balance of the Fiscal Year shall be \$7,500; or
 - (c) between January 1 and March 31, both inclusive, the Annual Fee for the balance of the Fiscal Year shall be \$3,750.

Payment of Annual Fee

9. **Quarterly Payments.** The Annual Fee shall be payable in quarterly instalments by the Dealer Member in each year. Notice of the amount of the first and second quarterly payments shall be mailed to each Dealer Member on or about the first business day of July. The first quarterly payment shall be made by each Dealer Member immediately upon receipt and the second quarterly payment shall be paid by each Dealer Member not later than the first business day of August. Notice of the amount of the third and fourth quarterly payments shall be mailed to each Dealer Member on or about the first business day of September and December, respectively. The third quarterly payment shall be paid in advance by each Dealer Member not later than the first business day of October and the final quarterly payment shall be paid in advance by each Dealer Member not later than the first business day of January.
10. **Payment of Annual Fee on Acquisition of Dealer Member.** Notwithstanding the foregoing, in the event that:
- (a) an applicant for membership has acquired the whole or a substantial part of the business and assets of a Dealer Member or Members in good standing whose Annual Fee for the then current Fiscal Year has been paid in full and who is or are resigning from membership concurrently with the admission of the applicant to membership; and
 - (b) at least a majority in number of the partners of the applicant, in the case of a partnership, or at least a majority in number of the directors and at least a majority in number of the officers of the applicant, in the case of a corporation,

are partners, or directors and officers, as the case may be, of the resigning Dealer Member or Members;

then the applicant, if the applicable District Council so approves, shall be exempted from payment of the Entrance Fee and from payment of the Annual Fee for the then current Fiscal Year. In no event including the foregoing circumstances shall there be a credit or refund of Annual Fees paid to date where one Dealer Member acquires all or any part of the shares, business or assets of another Dealer Member.

EQUITY MARKET REGULATION FEE MODEL

The Equity Market Regulation Fee Model is applicable to Marketplaces that trade equity securities. Applicants for acceptance as Marketplace Members that are alternative trading systems are required to pay Entrance Fees for their Dealer Member application in addition to the Regulation Services Agreement Fee and an Information Technology Fee, which must be paid by all applicants for acceptance as Marketplace Members. On becoming Marketplace Members, Marketplace-Specific Costs may be payable in certain circumstances. Monthly Equity Market Regulation Fees consisting of Message Processing Fees and Trade Fees (subject to a Minimum Market Regulation Fee) are allocated to Marketplaces and are payable by Dealer Members participating in those Marketplaces. Administration Fees are allocated to Marketplace Members and Dealer Members.

Entrance and Set-Up Fees

19. ***Dealer Member Application Fees.*** For alternative trading systems, the process for acceptance as a Marketplace Member is concurrent with that to become a Dealer Member. The Entrance Fee described in Section 1 is payable by such applicants at the time an application is made.
20. ***Regulation Services Agreement Fee.***
 - (a) The minimum fee for the drafting and negotiation of a Regulation Services Agreement between IIROC and an applicant as a Marketplace Member is \$25,000 and is payable at the time of application.

- (b) If time cost spent by IIROC staff on the drafting and negotiation of the Regulation Services Agreement is greater than \$25,000, the difference will be invoiced by IIROC and is payable by the Marketplace Member prior to the Marketplace commencing operations as a Marketplace Member.
- (c) IIROC may, in its discretion, charge the fees indicated in paragraphs (a) and (b) above in connection with the drafting and negotiation of a revised or amended Regulation Services Agreement in circumstances where there has been a material change in the activities of a Marketplace Member.

21. **Information Technology Fee.** The Information Technology Fee charged to each applicant as a Marketplace Member is \$66,500 payable as follows:

- (a) a non-refundable deposit of \$10,000 payable at the time of application for membership as a Marketplace Member; and
- (b) the balance of \$56,500 payable when the applicant is authorized to proceed with the testing and development of Surveillance Technology Enhancement Platform (STEP) functionality for the marketplace.

If time cost spent by IIROC staff on the connectivity and testing process for the marketplace is greater than \$66,500, the difference will be invoiced by IIROC and is payable by the Marketplace Member upon launch of the marketplace.

All costs of information technology development, including any third party costs, for a new marketplace are borne by the Marketplace Member.

22. **Marketplace-Specific Costs.** Each Marketplace Member will pay to IIROC (i) incremental costs incurred by IIROC to perform additional work to monitor a Marketplace as a result of unique marketplace features, and (ii) incremental costs incurred by IIROC as a result of a Marketplace's failure to meet an IIROC regulatory feed standard, testing window or project deadline, including, without limitation, modifications to IIROC's systems, additional staffing or remedial work. Marketplace-Specific Costs will be determined with respect to each Marketplace Member on a monthly basis and shall be invoiced in accordance with Subsection 27(b).

Monthly Equity Market Regulation Fees

When determining the Monthly Equity Market Regulation Fees allocated to a Marketplace Member for a particular month, IIROC first determines its total market regulation costs and then deducts the timely disclosure fees, interest and other income received by IIROC. The net costs are then allocated to each Marketplace Member on a pro-rata basis and are paid by that Marketplace's participating organizations, members or subscribers, as the case may be, that are Dealer Members as identified by the Marketplace. The allocation is based on the number of

messages sent and trades executed by each Dealer Member on each Marketplace, all in accordance with the provisions set out below.

23. *Message Processing Fee.*

- (a) Each Marketplace shall be allocated a fee based on the Marketplace's share of the total number of messages processed by IIROC's surveillance system during a particular month. The Message Processing Fee is determined with reference to the total information technology costs of the surveillance system.
- (b) The Message Processing Fee shall be paid by Dealer Members based on each Dealer Member's pro-rata share of the messages sent through each Marketplace. The total Message Processing Fee and the applicable unit cost per message shall be disclosed in the monthly invoice delivered to Dealer Members in accordance with Subsection 27(a).

24. *Trade Fee.*

- (a) Each Marketplace shall be allocated a fee based on a particular Marketplace's share of the total number of trades completed during a particular month. The Trade Fee is determined with reference to the net market regulation costs after deduction of the information technology costs of the surveillance system.
- (b) The Trade Fee shall be paid by Dealer Members based on each Dealer Member's pro-rata share of the trades made through each Marketplace. The total Trade Fee shall be specified in the monthly invoice delivered to Dealer Members in accordance with Subsection 27(a).
- (c) The number of trades executed by a Qualified Market Maker acting in furtherance of its marketplace trading obligations on the listing exchange shall be discounted by 70% for the purposes of calculating the Trade Fee for such Marketplace. The number of trades on the other side of any trade involving a market maker in its stock of responsibility will be included in the calculation of the overall total number of trades. For clarity, the discount will not be applied to trades for securities that are not listed on the listing exchange that has entered into the trading obligations agreement with the Qualified Market Maker.

25. *Minimum Equity Market Regulation Fee.*

- (a) If the aggregate of the Message Processing Fee and the Trade Fee allocated to a Marketplace Member is less than \$4,800 in a particular month, such Marketplace Member shall be allocated the Minimum Equity Market Regulation

Fee of \$4,800, consisting of \$1,200 allocated to messages and \$3,600 allocated to trades.

- (b) If applicable, the Minimum Equity Market Regulation Fee shall be paid by Dealer Members based on each Dealer Member's pro-rata share of the messages sent and the trades made through a Marketplace subject to the Minimum Equity Market Regulation Fee. The portion of the Minimum Equity Market Regulation Fee, if any, payable by a Dealer Member shall be specified in the monthly invoice delivered to the Dealer Member in accordance with Subsection 27(a). If a Marketplace Member chooses to pay the difference between the Minimum Equity Market Regulation Fee and the aggregate of the Message Processing Fee and the Trade Fee allocated to the Marketplace Member then Dealer Members shall only be responsible for paying the latter.
- (c) If there are no messages processed or trades completed during a particular month, the Marketplace Member shall be required to pay the Minimum Equity Market Regulation Fee directly.

26. Administration Fee.

- (a) A fee of \$400 shall be charged to each Dealer Member and invoiced in accordance with Subsection 27(a)) each month for the provision of detailed billing information or other information related to market regulation fees requested by the Dealer Member.
- (b) An Administration Fee of \$500 shall be charged to each Marketplace Member and invoiced in accordance with Subsection 27(b) each month for the administration of the invoicing of the fees described in this Equity Market Regulation Fee Model to Dealer Members on behalf of the Marketplace Member.

Payment of Monthly Equity Market Regulation Fees

27. Monthly Invoices.

- (a) Dealer Members: Dealer Members shall be invoiced on a monthly basis in arrears within the first ten (10) days of any month for the aggregate of the Message Processing Fee and the Trade Fee, or the Minimum Equity Market Regulation Fee, as applicable, and the Administration Fee charged to Dealer Members. Such invoices are due and payable immediately upon receipt.
- (b) Marketplace Members: Marketplace Members shall be invoiced on a monthly basis in arrears within the first ten (10) days of any month for the aggregate of any Marketplace-Specific costs incurred during a particular month as contemplated in Section 22, the Administration Fee charged to Marketplace

Members and any amount invoiced to a Marketplace Member under Subsection 25(b).

- (c) For the initial months of the fiscal year, Dealer Members will be charged based on IIROC's previous year's budget. Once the budget and fees are finalized for the year, monthly invoices will be adjusted prospectively to reflect the budget of the remaining months of the year.
