## List of acceptable clearing corporations and acceptable securities locations (Depositories and Clearing Agencies)

Attached is a list of entities that meet the definitions of acceptable clearing corporations and acceptable securities location (Depositories and Clearing Agencies section) in the General Notes and Definitions of [Form 1](#). This list replaces the previous list, which was issued as part of IIROC Notice [16-0166](#), and is effective May 17, 2019.

This [list](#) has been updated by removing ICE Clear Canada, Inc. and adding the Shanghai Clearing House (SHCH). The SHCH is considered an acceptable securities location for client positions of the Dealer Member in Chinese corporate bonds that are deposited at the SHCH using CDS's China Bond Link service.
