

Keith Persaud
Senior Vice-President, Finance and Administration

Mr. Persaud has over 10 years experience in the investment industry. Mr. Persaud was most recently at the Canada Pension Plan Investment Board where he led the initiative for the assessment and selection of a portfolio accounting system for public market securities.

Prior to that he was at Rockwater Capital Corporation where he was Director of Corporate Development and Operations. As a member of the management team he was responsible for evaluation and execution of acquisition and partnership opportunities, and directing the Operations functions of the investment dealer division. Mr. Persaud was also at Merrill Lynch Canada where he held the position of Vice-President, Strategy and Project Management responsible for development of strategic analyses for the Private Client Group.

Mr. Persaud holds a Bachelor of Commerce and is a Chartered Accountant. He has served on the Board and Finance and Audit Committee of the Macaulay Child Development Centre.
