By-Laws and Regulations IDA Hearing Processes - Amendments to By-law 20

The Board of Directors has approved further amendments to By-law 20 (contained in Bulletin 3325), to be effective October 1st, 2004.

The amendments serve to ensure that By-law 20 meets the requirements of Quebec Law and the *Autorite de Marchés Financiers* for hearings related to Quebec members and approved persons.

The amended By-law is attached. The amendments to the By-law, described above, relate to By-laws 20.10(5),(6)(7)(8), 22(3), 51(2),(3), and 55(3). Further changes have been made to the French language version of the By-law to ensure that it is in conformity with the English language version of the By-law.
