Opening Your Retail Account Brochure

The Investment Dealers Association has released a brochure, aimed at investors, which provides information about the requirements for opening a retail account. The brochure, entitled *Opening Your Retail Account* can be downloaded from our website (www.ida.ca), either from the Resources for Members section or the Investor's Corner section (under Investor Education).

Opening Your Retail Account is the second in a new series of brochures the IDA is developing for retail investors. *A Question & Answer Guide to Bond Investing*, and the companion piece, *An Introduction to Bonds*, were released in June.

Printed copies of *Opening Your Retail Account* are also available at cost to Members. For more information on ordering the brochure, please contact Jennifer Fakli at jfakli@ida.ca or at 416-943-6934.
