CONTINUING EDUCATION RENDEZ-VOUS 2008 (Québec)

THURSDAY, SEPTEMBER 11, 2008

The Québec District of the Investment Dealers Association of Canada will hold its **Continuing Education Rendez-vous 2008**, on Thursday, September 11, 2008, at the Centre Mont-Royal, 2200 Mansfield Street, Montréal. For this final year of the third cycle, the Québec District is planning a high-powered program, featuring, among others, speakers Clément Gignac, who will deliver the luncheon keynote, and **Dan Richards** who will cap the day.

The day's program will enable participants to attend six seminars and accumulate a total of **9 continuing education (CE) credits**. The program was developed to offer participants a choice between seminars that earn credits in either compliance or in professional development. The registration price includes both breakfast and lunch.

This training day entitles the participant to a maximum of:

- **4.5 CE credits** in compliance and **4.5 CE credits** in professional development or
- **9 CE credits** in professional development.

The full agenda for the day, including instructions on how to register, will be made available in the next few weeks. The location and cost of the event are:
