Discontinuation of Weekly Statistical Reporting via the Bank of Canada's Market Trade Reporting System (MTRS)

The Bank of Canada today announced that as of January 3, 2018 Government Securities Distributors are no longer required to submit weekly statistical reports to the Bank of Canada via MTRS.¹

We remind Dealer Members that this does not impact the requirements of Dealer Member Rule 2800C and the obligation to report via Market Trade Reporting System 2.0 (MTRS 2.0).

¹ See Bank of Canada Notice - [Discontinuation of weekly statistical reporting via Market Trade Reporting System](#) (December 13, 2017).
