New Webcast: A Conversation with the Chair of the Ontario Capital Markets Modernization Taskforce

This webcast features IIROC's President and CEO, Andrew J. Kriegler, in a conversation with Walied Soliman, Chair of the Ontario Capital Markets Modernization Taskforce and Canadian Chair of Norton Rose Fulbright. They discussed the January 22, 2021 publication of the Capital Markets Modernization Taskforce's final report which includes over 70 recommendations aimed at supporting growth and competitiveness in Ontario's capital markets. Click [HERE](#) to access the report.

IIROC is pleased to be able to provide this webcast for our Members as we support the Taskforce's goals to encourage a more efficient and effective regulatory environment that fosters vibrant capital markets and strengthens market conduct practices, and where innovation and investment leads to better outcomes for all market participants.

This webcast will be available for viewing on February 8, 2021 at 7:00 am Eastern time and on a 24/7 basis after that date.

There will be 1.50 compliance continuing education credits available.

Click [HERE](#) to register.

Thank you for your ongoing support of and participation in IIROC's educational programs.
