### **Provision Of Information To Canadian Exchanges**

The Board of Directors of the Investment Dealers Association of Canada has approved the attached enactment of By-law 19.8 to be effective September 30, 1997.

By-law 19.8 allows a Canadian exchange to request and receive information related to the investigation of trading in a security on that exchange, from a Member of the Association. The by-law is enacted in conjunction with the SELECTR system which connects SROs and SRO members electronically, allowing the electronic exchange of information for the purpose of conducting trading investigations. The Alberta Stock Exchange, the Montreal Exchange, the Toronto Stock Exchange and the Vancouver Stock Exchange are adopting a similar by-law.

Any questions on the above should be addressed to Keith Rose, Vice President, Regulatory Policy at (416) 943-6907.
