## **Regional Dealer Conferences**

At the Association's Annual Meeting, there was considerable interest expressed by Members in attending the Securities Industry Association (SIA) annual Local Conference to be held in Florida, October 7-9, 1999.

The IDA has made arrangements with the SIA to permit IDA Members to attend the Conference at SIA Member rates, as opposed to the full non-member rate.

Association Members who are interested in attending can download the registration from the SIA website at [www.sia.com](http://www.sia.com).

Please indicate on the registration form that you are an IDA member with a notation stating "Member of the IDA per Rob Gannon".
