By-Law 10.7 is amended to include the immediate past Chair of the National Advisory Committee as a voting member of the National Advisory Committee

The Board of Directors of the Association has approved amendments to By-Law 10.7 to include the Past Chair of the National Advisory Committee of the Association. The committee will now consist of the Chairs of the District Councils, the immediate Past Chair of the NAC, the Regional Directors, and the Senior Vice President, Industry Relations and Representation.

The NAC is a forum which promotes and considers issues which are advanced by District Councils as well as a group which provides valuable input on national interests. The contribution by a Chair was considered of sufficient importance that to have that individual continue as a resource at the expiry of his or her term, would be a considerable benefit to the committee.

A copy of the amendment is attached.
