Industry Relations and Representation Launch of new web-based service to advise subscribers when new information is published to www.ida.ca

The Association announces the launch of its new **e-Publications** service, a free online subscription service.

Subscribers to the service, which is available to the public, can sign up to receive email alerts when new publications or documents of interest to them are posted on the IDA's website. Subscribers can choose from a list of publication categories, such as Media Releases, Notices of Hearings, Regulatory Bulletins and Updates and capital markets research and analysis reports. Subscribers can change their customized list of information at any time.

Visit www.ida.ca or www.accovam.ca and click on the e-Publications button to register.
