Quebec District Council

Québec's 2007-2008 Seminar Program

The Québec District Council of the Investment Dealers Association of Canada is, for the second year in a row, organizing a series of breakfast seminars for its members.

The 2007-2008 program includes seven breakfast seminars, which will entitle member registrants to continuing education credits at a rate of one credit hour per seminar, applicable to cycle three of the continuing education program, which runs from January 1, 2006 to December 31, 2008. The 2007-2008 series will enable members to accumulate **a maximum of one (1) credit in professional development and a maximum of six (6) credits in compliance**. The credit attestations are issued a few days after the event. The 2007-2008 calendar is attached.

The breakfast seminars will be held at the Saint James Club of Montreal, at 1145 Union Ave., Montreal, from 7:30 to 8:45 a.m. The unit cost of a seminar is \$40. However, members may register for the complete series of seven seminars for a price of \$240, which means that one seminar is free. The ticket price includes a hot breakfast which is served during the seminar.

You can reserve your seat for one or more of these seminars by contacting Jocelyne Forest at 514-878-2854, ext. 276, or by email at jforest@ida.ca. The tickets will be mailed upon receipt of payment.
