

COVID-19: IIROC Offices

March 20, 2020

Of paramount importance to IIROC is the wellbeing and safety of our employees and all Canadian market participants. Therefore, as a result of the COVID-19 coronavirus, all IIROC offices are now closed until further notice, with employees working remotely.

We continue to carry out all core, critical regulatory responsibilities – which includes the real-time oversight of all equity trading in Canada. We are in frequent contact with key stakeholders, including the Canadian Securities Administrators.

IIROC continues to monitor government and public health directives and, as the situation develops, we will adapt our plans and issue further communication, where appropriate.

If you need to contact someone at IIROC, please visit our [contact us page](#). As there may be some delays in responding, we thank you for your patience and understanding.

We wish you continued good health and we will update this message as the situation changes.
