6. FILING UNDER THE PASSPORT SYSTEM

6.1 WHAT IS A PASSPORT APPLICATION?

An application can be accepted as a Passport submission if it meets all the following criteria:

- Dealing Representative
- Ultimate Designated Person (not the IIROC level category by the same name)
- Chief Compliance Officer (not the IIROC level category by the same name)

(2) If the submission involves surrendering a registration category, the surrender must include the Principal Jurisdiction ("PJ"). (3) If the submission is a Notice of Termination, the individual must have been in a registration category (see (1)).

(4) A submission involving change to IIROC Approval categories or Business or Product types if the submission also requests a change to the Registration category.

(5) If the submission is a Registration in an Additional Jurisdiction or Registration with an Additional Sponsoring Firm, the individual must be seeking registration (and not seeking an IIROC approval category). See (1) above.

6.2. WHAT IS NOT A PASSPORT APPLICATION?

The submission cannot be accepted as a Passport submission if:

(1) Involves only a change (add or surrender) of a Permitted Individual category [ref 4A.1 of CP 11-102]

The Permitted Individual categories are defined as:

- Officer
